Happy Retirement to June Johnson!

All of us at Lake Beauty are filled with mixed emotions as we bid a fond farewell to June and John Johnson! June, our bookkeeper for the last 11 years, is the first Lake Beauty employee to retire from full-time employment at camp, and

Pastors and Families Retreat

August 14-18 will be our Pastors and Families Retreat, an opportunity for full-time ministry staff in the LBBC area to come to camp for a week of rest, relaxation, and revitalization. It's a great opportunity for those who serve congregations to get some time away, make connections, and reconnect with their families. Lake Beauty is one of the few camps to offer a retreat like this, and we are passionate about it - please do everything that you can to make this happen for your pastors!

of her work and the amazing blessing she has been to the ministry of LBBC during her time here. John has also been a big part of our camp family, as food service director from 2001 to 2005, and as a helping hand in our kitchen for the years since then. In August, John and June will be moving to Nashville, TN to be close to their daughter, Nicole, her husband, Nathan, and their daughter, Emma. It will be a tearful goodbye, but one filled with celebration for the last decade and excitement for this next step for the Johnsons.

Lake Beauty and Veritas

This last weekend, we had the pleasure of hosting John Wenrich, Director of Congregational Vitality for the Evangelical Covenant Church, as he led meetings for Community Covenant Church of Upsala. Through the

Veritas Program, John helps churches to identify ways to grow as healthy missional congregations. Lake Beauty is proud to assist in this process as we strive to be a place where life transformations happen not only for individuals and families, but also for the greater church families of local congregations. Thank you to John and CCC of Upsala for allowing Lake Beauty to participate in this experience!

4th of July Family Camp

We had an AMAZING 4th of July Family Camp this summer! There were roughly 600 campers here, people of all ages, and we had a fantastic weekend of rest and renewal as Todd Slechta of Colorado shared with our family campers his message of "moving forward while looking back." As always, it was a time filled with fellowship, fun, and fireworks, and we want to say thank you to everyone who attended. Just a reminder, Labor Day Family Camp (Sept. 2-5) is coming up soon, and it is not too

late to register. Call the office today to sign up, and we'll see you there!
