Men's Work in the Woods

Men, it's time to sign up and plan to attend this year's Work in the Woods Retreat. Bring your chain saws, wood splitters, and 4-wheelers as we will be heading into the wilderness property to cut and haul wood back to the main camp where we will split it in preparation for winter and next summer's family camps bonfires. Information can be found on website (www.lbbc.com), and you can register either over the phone (320-732-3218) or online. We will also have a special project this year: we have a neighbor who is a huge supporter in Christian Camping, and her husband just had a massive heart attack. They have 5-6 mid size trees that need to be taken down to be moved out of the township right of way, and we would love to bless them by sending a

group of men to their place for a sawing party. We are excited because this means that, in addition to blessing LBBC with your work, we will have the opportunity to go off site to lend helping hands to someone who desires to bless our camp by simply being a good neighbor to us.

SH Fall Retreat

Now is the time to start telling the high schoolers in your church about the Senior High Fall Retreat, coming up on October 14th - 16th! We are excited to have Jon Dierenfeld as our speaker that weekend. Jon is an alumni of camp and is super passionate about working with youth and helping them learn more about how to be *souled out* for God! And youth workers, you are invited to come too – this retreat could be a great opportunity for you to just hang out with your students and have some great one-on-one conversations with them! All you need to do is show up and we'll take care of the rest!

A Note From Brian 49th Annual Meeting

Saturday, October 15th, 2011 is going to be an exciting day for LBBC! We will be hosting the 49th Annual Meeting, and we have some great things to share with the delegates, so I hope you are making plans to attend this year's meeting. Delegate materials have been mailed to every church, and there is a letter from me about the meeting, sharing a few of the highlights and what you can expect when you come. If you did not receive the information or it has been lost, please contact me at brian@lbbc.com and I will be happy to email you a delegate packet. Looking forward to seeing you in a month!

Nurses

We had an amazing summer this year, and we did it all with volunteer nurses. As most nurses need to request time off a year in advance, we want to get that start early to get the same thing in place for next summer. Our 2012 summer camp dates are online and ready for you to choose, so if you are an RN, EMT, or paramedic who would be willing to serve sometime next summer, please take a look at our [2012 Calendar](#). You can contact our Program Director, Christa Ebert, at christa@lbbc.com for more information about volunteering, and THANK YOU in advance!

Promos and Brochures

Don't forget as the fall season has kicked in that it is never too early to get a camp promo date on your calendar. Call the camp office (320-732-3218) or email christa@lbbc.com to lock in your date. Also, we plan to have our Winter/Spring Brochures ready to mail out in the first week of November, so be looking for them soon.
