

Dear Prospective Partner in Ministry:

Thank you for your interest in serving at Lake Beauty Bible Camp for the summer of 2012. God has amazing things in store for our staff, campers, and guests this summer, and you might just get to be a part of that. Lake Beauty is all about:

“Proclaiming Jesus and reflecting His love.”

That’s more than flowery language, it’s the lens through which we view everything we do and don’t do. Spending a summer as an LBBC staffer is a great privilege and a huge responsibility. Nearly fifty years of top notch people have come before us, and it is our job to continue to provide the best and most life changing experience possible for everyone in and around camp. This application is the first step in the process of writing yourself into the wonderful story of Lake Beauty.

We are looking for the best; highly motivated Disciples of Christ with a hunger to share with others and a willingness to invest all of themselves. A summer at camp will be the toughest and most demanding job you might ever have, but it can also be one of the most rewarding things you’ll ever do. If that sounds like your cup of tea, here’s what else you need to know. An exceptional Summer Staffer (the only kind we’re looking for) will:

- a. Possess a living and growing personal relationship with Christ and actively nurture that relationship while at camp.
- b. Share your life and faith in Christ by example and by word with campers and staff in every aspect of camp life.
- c. Consider and attend to the needs of others before your own needs and desires.
- d. Do everything within your power to nurture a healthy Christian community within the staff.
- e. Fulfill your specific responsibilities with excellence and integrity and gladly help out wherever else there is need.

It sounds like a lot, because it is. It sounds pretty tough, because it is, but great privilege and responsibility rarely come without cost. And believe me; the cost is absolutely worth it.

Here are the steps to applying for a summer staff position:

1. Pray for God’s guidance in applying, what to apply for (review the job description page), and for the ministry of LBBC in general
2. Complete the 2012 application online as soon as possible - see link on our website: www.lbbc.com
3. We will send out reference forms to your references automatically. Your references should include a spiritual reference, an employer reference, and a character reference. Please choose references with an email address.
4. Follow up with camp and all your references one week later to make sure all forms have come in and are in order.
5. Interviews will be conducted primarily by the Program Director either in person or over the phone.
6. Hiring decisions will be made as soon as possible once all forms are in and interviews completed. Applicants will be notified either way regarding their summer employment.

Thanks again for your interest in serving at Lake Beauty Bible Camp. May God bless you abundantly in whatever path you follow for your summer and beyond.

Christa Ebert
