

FAMILY CAMP PAINTBALL

Back this year at Lake Beauty is our Family Camp Paintball! Spend part of an afternoon running through the woods like a CO₂ powered rhino, or perhaps you're the stalking type; using terrain and camouflage to gain your advantage and defeat your foes. Either way it's a ton of fun and a great memory-maker.

Please **do not** bring any of your own equipment. We have everything that you will need to play, and we want to make sure that paintball equipment only appears on the course within our regulated safety zone.

Like all the other activities we have, Paintball is another tool to draw people in. Tell your friends! Talk it up, and let's continue to expand our ability to share the life saving and changing message of Jesus!

The Nuts and Bolts:

- For \$15, you get an hour of play and 200 paintballs, extra balls can be purchased for \$5 per 100 on the field
- Closed toed shoes are required, grubby long pants and long sleeves are recommended.
- Kids 10-13 MUST be accompanied by a parent or guardian, ages 14+ may play on their own
- All ages are welcome!
