For Love of Lake Beauty

Every once in a while, an opportunity comes to us at camp that blows us away. This was the case a few weeks back when Hope Covenant Church from St Cloud called and told us that they were working through a program called "The 40 Days of Love." They said that the church had chosen LBBC to be the recipient of their "Love Project."

On October 10, forty people from HCC showed up at camp, and WOW did they blow us away! They cleaned out rooms that hadn't been touched in years. They insulated and sheet-rocked the girls outbath, which now has a furnace so we will be able to utilize the building well into the winter and much earlier in the spring. They helped paint the walls in the Pine Ridge Chapel. They had heard

about the mold and water damage in the Hill Top House, so they donated time and materials to install new carpet and a new basement floor in the house. It was a pretty amazing day. Thank you Hope Covenant for all your support and your partnership with LBBC.

From the Desk of Brian Alnes

Volunteers built Lake Beauty Bible Camp, and volunteers continue to play a vital role in sustaining LBBC. We are thrilled with the number of volunteers that we have seen come to give of their time and talents over the past 3 years. One of those volunteers, Vern Matheson, a former Properties Director, has been feeling the nudge to serve. Vern has been coming up to camp from the Wyoming, MN area for 2 days a week for the last several weeks. He is doing remodeling work in the speaker's cabin and the girl's outbath, all the while putting smiles on everyone's face just by his presence. It's people like Vern, Lloyd Melvie and Bruce Hoaglund (who have been coming and splitting wood for winter), and so many others who remind us of how blessed we are by our volunteers. If you would like to volunteer in any way here at camp, please do not hesitate to call (800-732-1990). Thank you in advance for being a blessing to Lake Beauty.

Camp Promos

As we enter the promotion season, Christa, Ben, and I are gearing up to do church visits. This is a reminder to call LBBC and get your church on our promo calendar. Sundays and Wednesdays are filling up quickly, and we would love to be in as many churches as possible. Check your church calendar and give us a call to set a time for us to visit. In addition, Brian Alnes is continuing to visit constituent churches and would love to visit on a Sunday morning to

bring a sermon and to talk about the ministry of LBBC. He still has a few dates available in February, March, and April, and you can reach him at the camp office (800-732-1990) to set up a visit.

Fall Quilting

The Fall Quilting season is upon us, and we are very excited to start welcoming all the ladies and their sewing machines! We have five sessions this fall: November 6-8, 9-12,

13-15, 16-19, and 20-22. The first and third sessions are totally full, but there is still space available for our second, fourth, and fifth sessions. You can find more details about the projects, check-in/check-out times, jumpstarts and other information on our website (www.lbbc.com). Call today if you still want to register (800-732-1990) and we look forward to seeing you this month!
