### New Family Camp Getaway Weekends

Since many of you just enjoyed a holiday season of gathering with family, what better time than now to plan your next big get-together! New this summer at Lake Beauty is the Family Getaway Weekend – perfect when 1 or 2 nights is all you have, but you still want a family-friendly, affordable “mini-vacation” that isn't too far away. You'll enjoy our beautiful family campground and a wide variety of family-friendly activities. Five affordable weekends are available, so check the website for rates, schedules, and much more!

### Couples Retreat: February 12-14

Minnesota + February = Tropical Getaway? That's right! The math might be a little off, but the weekend will be right on. Couples Retreat is a very special time to invest in your most important relationships: with Christ and with your spouse. Neil and Sharol Josephson, experienced Marriage and Family Ministers, will be with us to facilitate great discussion and incredible opportunities for growth. Grab your Hawaiian shirt out of the back of the closet, and join us for a tropical getaway on the sandy (okay, maybe snowy) shores of Lake Beauty!

### 2010 Summer Theme: “Live to Serve”

*“You, my brothers and sisters, were called to be free. But do not use your freedom to indulge the sinful nature; rather, serve one another in love.” – Galatians 5:13*

Here Ye, Here Ye, the 2010 Summer Theme is here! You have been called to freedom and to serve one another in love. This summer we invite you to come and meet Jesus, King of Eleutheria (“Freedom”) as we learn what it really means to live in freedom! Discover how, in serving one another in the name of the King, you can find freedom and purpose for the life to which you have been called.
