**Spring Quilting Retreats**

Our Spring Quilting season is just over the horizon, and it's not too early or late to register. There will be three retreats: March 12-14, March 15-18, and March 19-21. As with our fall retreats, we are happy to be welcoming some guest instructors. Heather Peterson will be instructing for Spring Retreat #1. Recognized as an accomplished quilt designer, Heather has

authored a number of quilting books and is now designing fabric as well. Her designs are noted for their rich use of contemporary colors. Elaine Leko will instruct Spring Retreat #3. Elaine is the proud owner of Silver Lane Quilting in Forest Lake, Minnesota. She is a lifelong sewer & quilter and has many years of professional experience in graphic design. She is excited to be sharing the experience with her friends Angie and Barb, owners of The Noble Quilter (Elk River) and Quilts on Broadway (Foley), respectively. The instructor for Spring Retreat #2 will be announced soon. Whether a new or experienced quilter, you will find plenty of space to work, lots of inspiration and direction, and friendly staff with a willing hand. For more information and registration, go to [www.lbbc.com](http://www.lbbc.com). We look forward to seeing you in March!

**Summer is Coming!**

Hear ye, hear ye! Our summer brochures are out, and that means that it is promotion season and that registration is open for summer! We have booked a number of church promotions on Sunday mornings and Wednesday nights, but we still have several dates available for the spring. Please call 1-800-732-1990 to see about having a Lake Beauty promotion at your church or to register for any of our summer sessions. Hope to see you all soon!

**From the Desk of Brian Alnes**

I am happy to announce that we have successfully raised the funds to buy our new dump truck! It's a 1994 GMC Top-Kick 5-yard dump truck, and by the time you read this we will have brought it home to LBBC from Willmar. Bill, our properties director, is ready to put the truck to good use as he starts planning for spring projects. Thank you to everyone who donated to make this a reality!

**Welcome, Tim Peterson!**

To anyone who has been in the kitchen in the last year, Tim Peterson is a familiar face, and we are very excited to welcome him aboard full-time! Tim will be splitting his time between his roles as Assistant Cook and Housekeeping Manager. Tim and his wife, Rhonda, have three children, Meagan, Dane, and Drew. The family attends Grace Covenant Church in Little Falls, and the kids

have been coming to Lake Beauty for years. Along with his experience working in food service for the Army, Tim's humble attitude and infectious smile make him another great addition to the LBBC staff.

**Welcome, Chelsie Kimball!**

On January 3, we welcomed our third LBBC staff intern, Chelsie Kimball! Chelsie served on summer staff for five summers, including this past summer as the waterfront director. She finished her final semester at Bethel University this fall, graduating with a degree in Biblical and Theological Studies. In her free time, Chelsie enjoys pottery, photography, and being outdoors. As an intern, she is looking forward to growing as a leader, learning more about how camp functions, being a part of change at Lake Beauty, and seeing how God shapes her during this time.
