It is enough to make both bags in the tote pattern or bag and all accessories in the other pattern. I will have some kits available, along with nylon strapping, buttons, batting, grosgrain ribbon, and wooden balls. If you would like me to make up a kit for you, just email me at princesspanto@charter.net and let me know what colors or specialty fabrics you would like. I will also have some other supplies such as grommets and magnetic closures.
