

# LAKE BEAUTY BIBLE CAMP

**Job Title:** Visual Technician

**Job Classification:** Summer Program Staff

**Organizational Relationships:**

- Reports to Ministry Staff

**Position Overview:**

The Visual Technician is responsible for the operation and development of all aspects of summer programming that utilize visual technology (photos and videos). The Visual Technician accomplishes this by operating and maintaining all Visual equipment, developing multimedia presentations, and regularly updating Lake Beauty's social media accounts. The Visual Technician is also responsible to assist with general program duties and with cabin leading duties.

**Job Tasks:**

- Oversee and develop a WOW (camp rules) video that is related to the summer theme and utilizes summer staff.
- Take pictures and record video of a variety of activities of each summer program and store and organize all material for use in videos, brochures, social media, etc.
- Create weekly recap video for each week of summer programming.
- During active programming weeks, update social media sites with new content daily.
- Oversee and develop a summer staff awards and summer recap video.
- Maintain all equipment.
- Develop and promote ways to expand the use of Visual technology in summer programming.
- Assist in general program duties (including, but not limited to, food service, housekeeping, and facilities) as assigned.
- When not performing program duties, assist in cabin leading duties in coordination with assigned cabin leader.
- All other duties as assigned.

**Desired Education and/or Experience:**

- Highschool Diploma
- Experience

**Desired Knowledge, Skill, and Ability:**

- Knowledge and ability to operate and maintain A/V technology
- Knowledge and ability to creatively develop multi-media presentations
- Ability to effectively manage time to meet daily and weekly A/V deadlines
- Ability to effectively organize, coordinate, and collaborate with staff members
- Ability to effectively disciple, mentor, and spiritually lead campers in a supporting role
