About Lake Beauty Bible Camp:

Our mission is to proclaim Jesus and reflect His love through high-quality Christian camping experiences. We deeply value relational fun and God-honoring creativity as we provide seasonal events and environments in which Jesus Christ transforms lives through exploring together what the Bible says about faithfully following Him.

Position Purpose:

The Food Service Team Helper aids Lake Beauty Bible Camp (LBBC) through showing hospitality to guests by working with the food service team to provide a delicious, clean, and professional dining experience.

Organizational Relationships:

Reports directly to the Food Service Associate(s); under the departmental supervision of the Food Service Director.

Position Type:

Part-time, hourly:

- 8-hour morning or afternoon shifts (one or two meals per shift, depending on the shift and guest group needs)
- Summer season: Sundays-Thursdays, some weekends (including most summer holidays)
- Fall/Winter/Spring season: Saturdays and Sundays, some weekdays

Free meals when “on the clock” and meals are being served to guests.

General Requirements for all LBBC Part-Time/Seasonal Staff:

- Demonstrate an active faith in Jesus Christ as Savior and Lord and the ability to articulate that faith.
- Supportive of the ECC’s Covenant Affirmations and LBBC’s core values and mission.
- Able to work collaboratively with others, prioritizing the ministry’s and team’s goals over personal preferences.
- Demonstrates initiative, reliability, and follow-through with effective time management and task completion.
- Remains positive and productive in a fast-paced environment that includes interruptions and occasional chaos.
- Willingly receives and carries out direction and guidance from supervisors, while keeping them updated on progress.
- Actively participates in meetings, activities, and organizational initiatives as assigned.
- Contributes to a healthy organizational culture through respectful communication, cooperation, and sharing appropriate information.
- Adheres to all policies, procedures, and expectations outlined by camp and departmental leadership
- Willingly performs any duties assigned by leadership which may be outside of typical departmental responsibilities.

Specific Qualifications for this Position:

- Can perform food service-related preparation and cleaning processes efficiently and accurately.
- Shows a willingness to learn new food service-related skills.
- Can work independently and asks questions when needed (i.e. for directions, clarification, information, etc.).

Specific Responsibilities for this Position:

- Assist in preparing food for meals and snacks while adhering to safe food-handling standards.
- Assist in serving food to guests by ensuring serving lines are well stocked and presentable.
- Assist in cleaning up after meals, including packaging and labeling leftovers according to food safety guidelines.
- Execute daily and weekly cleaning tasks according to documented schedules for the kitchen and dining hall.
- Perform basic cleaning and maintenance of kitchen equipment as needed.

Essential Functions for this Position:

- The ability to lift and safely carry up to 40 pounds; including up and down stairs
- Ability to safely use essential kitchen equipment, including knives, ovens, and burners.
- Ability to walk and stand for prolonged periods of time and still efficiently perform foodservice duties.
- Can comfortably and safely maneuver within crowded, fast-paced spaces.
- Can withstand moving from hot to cold room temperatures caused by commercial kitchen equipment and outside weather.
- Can show up for work and perform work even during extreme seasonal weather
