

Lake Beauty Ministries is so excited to welcome you to camp! Together we can work to provide a safe and healthy experience.

Guest Pre-Screening:

Screening is based on CDC and MN Dept. of Health guidelines. No temperatures are taken. All information is confidential. Pre-Screening questions will be sent to guests prior to your stay.

Ask yourself these HEALTH SCREENING QUESTIONS BEFORE YOU LEAVE HOME ON THE DAY CAMP BEGINS

Regardless of your vaccination status:

Question 1: **Do you feel sick or do you have any of the following symptoms of COVID-19?**

- Fever (100.4 F or higher) • new cough • shortness of breath • chills • new severe headache • muscle pain • sore throat
- extreme fatigue • new nasal congestion • new loss of taste or smell • nausea • vomiting • diarrhea

Question 2: **Have you had *close contact** with someone who was diagnosed or suspected to have COVID-19 within the last 10 days?** *Close contact* means: A person has been within 6 feet of a COVID-19 case for a cumulative time of 15 minutes in a 24 hour period.

Question 3: **Are you currently in isolation/quarantine due to exposure or illness or while awaiting the results of a COVID-19 test?**

If you answer YES to any of the above questions, stay home.

Guest expectations:

- Guests must agree to Camp's health screening procedures above.
- Stay home if you are sick or were exposed to COVID-19.
- Guests must bring their own pillows, linens, bedding and towels.

What you can do to keep camp healthy:

- Practice physical distancing (6') with those not in your household or cohort.
- Wearing a face covering is currently recommended (but not required) for all unvaccinated individuals when indoors, except when eating meals at your table in the dining hall or sleeping.
- Wash hands with soap and water for twenty seconds and wash often.
- Avoid touching eyes, nose, and mouth.
- Cover coughs and sneezes.
- Avoid sharing personal items and foods.

What Camp will do to keep camp healthy:

- Continually update and abide by our COVID-19 preparedness plan in accordance with state guidance.
- Promote health and safety through a pre-camp email, website posts and onsite signage.
- Staff will follow workplace guidelines, including all staff being screened for symptoms of COVID-19 every day.
- Food Service will follow MN Dept. of Health guidelines. In addition, guests will be assigned seating with their group. Staff will dismiss tables to the food line one at a time. Sanitizer will be located at all food stations.
- Camp will request the names of all guests for potential contact tracing purposes.
- No one, other than registered guests, will be allowed to visit.
- Maintain a regular cleaning and disinfecting schedule as well as adequate ventilation systems.

Housekeeping:

- All private housing units and restrooms will be thoroughly cleaned between sessions with all common touch points disinfected.
- All public restrooms will be cleaned/disinfected each day while guests are on site.
