

December 2022

2022 started with the passing of our beloved Executive Director for the past 15 years, Brian Alnes. In April of 2022, we said good-bye to Peter Alnes and his family as he resigned from his position as Properties Manager. We are still trying to recover from these losses. But God has been faithful and continues to bless Lake Beauty Bible Camp.

As the summer has turned to fall and our search for a permanent Executive Director enters the active phase, I have a few reflections on my time here at Lake Beauty Bible Camp. When I began as the Interim Executive Director in March, I felt honored, unqualified and unsure what these months would bring. In my call to serve here at LBBC, God has blessed me far beyond what I am able to contribute. I have found my faith has grown and my love for camp has expanded. I have been able to work with some amazing people and see them excel with God's help to serve Him. I have seen God's generosity to camp through His people. I have seen God's grace and creative answers through challenges. I have found my own formation enhanced by my time at LBBC. So I want to thank all who call LBBC a place set apart, as that is exactly what I have experienced these last few months. Most of all, I want to thank God, who has shown up and met me here at LBBC with His amazing love and grace. I invite you to a place set apart where the heart, mind, body and soul of every guest can encounter the living God.

Thank you for your interest, support and prayer for this ministry.

Respectfully submitted,
Keith Krueger, Interim Executive Director
