

## A Message from the Board

Dear LBBC Family and Friends,

It is with great sadness that the LBBC board of directors acknowledges the passing of our beloved Executive Director, Brian Alnes. Brian was called to be with God on January 4, 2022, with his family at his side following a lengthy illness in the hospital. Though we grieve his loss, we rejoice that Brian is in his eternal home.

Although Brian Alnes is not able to share a year-end message with you, here is an excerpt from the letter he wrote for the 2021 LBBC Annual Meeting.

“I am thankful for the amazing staff that God has put together for such a time as this. I am blessed to have a group of people who truly love God and love our guests. The staff consistently go out of their way to make the guest experience here at camp the best it can be. We hear it all the time in the evaluations that come back. Being a staff member at camp is not so much what we do, it’s who we are. Not everyone understands that or gets it. But this group of super-humans does, and they do it well every day because of Him. I will also add that it takes the staff families that we have here to be able to do what we do. Everyone truly gets it, and I couldn’t be more thankful to have gone through this season with this group.”

Our mission – Proclaiming Jesus and reflecting his love through a high-quality Christian Camp experience, is still our mission. No matter what trials come our way.

Early in 2022, the LBBC board will begin the process of selecting a new Executive Director for Lake Beauty. During this interim period, the board will continue to support the staff so Lake Beauty can remain *a place set apart where the heart, mind, body and soul of every guest are uniquely prepared and abundantly stimulated for an encounter with the living God*. This continues to be our vision for Lake Beauty.

Our request of you is that you keep the Alnes family in your prayers. Please also pray for the Lake Beauty staff and for the board throughout 2022 as we discover what God has instore for His camp during this next chapter in Lake Beauty’s legacy.

In Christ,  
LBBC Board
