

Raindrops on Roses

Variation of a Fence Rail Quilt

Intermediate 59"x74"

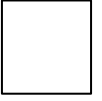

This **intermediate** level quilt requires selecting 8 coordinating fabrics. The instructors will guide you, step by step, in making this lap-sized quilt. All instruction will focus on accuracy in measuring, cutting, and sewing. Upon completing this class, you will have a good foundation for making other quilts.

Before selecting your fabric, please read Camp's ["General Quilting Instructions and Hints."](#) These will give you additional tips for fabric selection and preparation.

Purchase your fabric prior to arriving at Camp.

YARDAGE AND FABRIC KEY

To help you remember which fabric goes where, we recommend that you add samples of your fabrics to this color palette.

Sample	Key	Placement	Amt	Cut (<i>width of fabric</i>)	Suggestions
	A	Focus Block	2/3 yard	(2) 9½" strips Sub-cut (6) 9½" squares	A, B, C and D will be your "focus" fabrics. This is a great opportunity to showcase scenery, novelty prints or larger
	B	Focus Block	1/3 yard	(1) 9½" strips Sub-cut (4) 9½" squares	
	C	Focus Block	1/3 yard	(1) 9½" strip Sub-cut (4) 9½" squares	
	D	Focus Block	2/3 yard	(2) 9½" strips Sub-cut (6) 9½" squares	
	E	Small Block	1/4 yard	(1) 6½" strip. Sub-cut (6) 6½" squares	E and F are smaller, more subtle blocks than your focus fabrics. Or not...totally up to you. Solids work well here, too.
	F	Small Block	1/4 yard	(1) 6½" strip. Sub-cut (6) 6½" squares	
	G	1 Rail, Binding Backing	6 2/3 yards	1 Rail: (6) 3½" strips Binding: (7) 2½" strips Backing: remainder of fabric, set aside	G forms the middle section of your "rails." A print or a solid will work well here. G also makes up your binding and backing.
	H	2 Rails Border (solid)	2 yards	2 Rails: (12) 3½" strips Border: (7) 3" strips.	H makes up the outer sections of your "rails" as well as your border. A solid will help showcase the other fun choices you've made.
